Dear Mr. Wilson:

The Division has received the Mining and Reclamation Plans which you submitted for these four (4) mines and find them to be complete, and in our opinion in concert with the Utah Mineral Land Reclamation Act. Therefore, we grant tentative approval to these four (4) mines.

As you know, publishing of the abbreviated forms of the Mining and Reclamation Plans will now take place, to be followed by a thirty (30) day waiting period. We will let you know when the Division grants final approval to the plans.

Very truly yours,

DIVISION OF OIL, GAS, AND MINING
